

How We Communicate About Academic Life at ASH

How We Communicate About Community Life at ASH

Director's Desk Updates Sent via email to all parents whenever necessary, regarding information that is relevant to the entire community.	Divisional Weekly Announcements Posted on the parent portal and linked in The Flash on a weekly basis, regarding important dates and reminders for that division.	The Flash Sent via email to all parents every Thursday. It contains important dates and reminders, as well as our weekly menu.	ASH App Accessible to all parents who download it and login. The divisional announcements, school calendar, menu and more are linked there.
ASH Parent Portal Found on our website and protected by password, the parent portal contains most pieces of information a parent at ASH needs.	Digital Screens Our screens throughout the campuses share reminders to our community about events and important dates.	Weekly Menu Posted on our parent portal, on the ASH APP and linked on The Flash. The menu of the following week is posted each Thursday.	Social Media Channels Our profiles on Facebook, Instagram, Twitter and LinkedIn share daily stories of learning. Check our Newsroom for longer reads!
Athletics Newsletter Sent via email on a weekly basis to student-athletes and their parents with information about the season and tournaments.	SMS Alerts Sent to parent contact numbers, only in case of an urgent communication (e.g. a school campus closure).	Community Pin Board Linked on the parent portal, this is a collaborative space in which all members of the community can share opportunities and news.	PTO Newsletter Sent via email on a weekly basis to those who subscribed to receive updates from our Parent Teacher Organization.
